Installation Instructions 2322 Bracket Kit

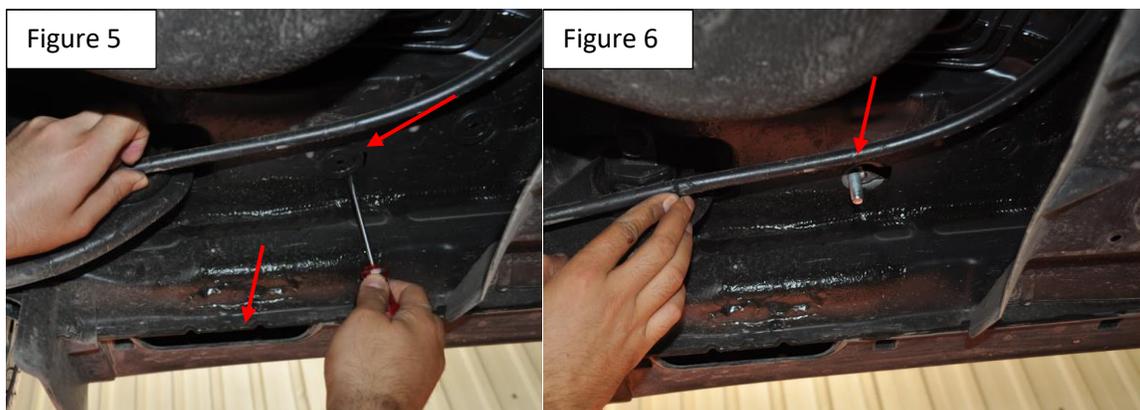

Important Install Tip: When installing Romik HTC inserts follow the sequence below. Make sure the HTC is seated correctly and do not use power tools as this will only spin the insert and possibly damage it. Test by tugging on it before installing bracket. Blue loctite is highly recommended on all metal parts.

Step 1: Locate front bracket mounting position and remove rubber plugs Figure 1. Install HTC 230 as shown Figure 2. Install HTC 243 as shown Figure 3. Finally install front bracket as shown Figure 4. Do not tighten.

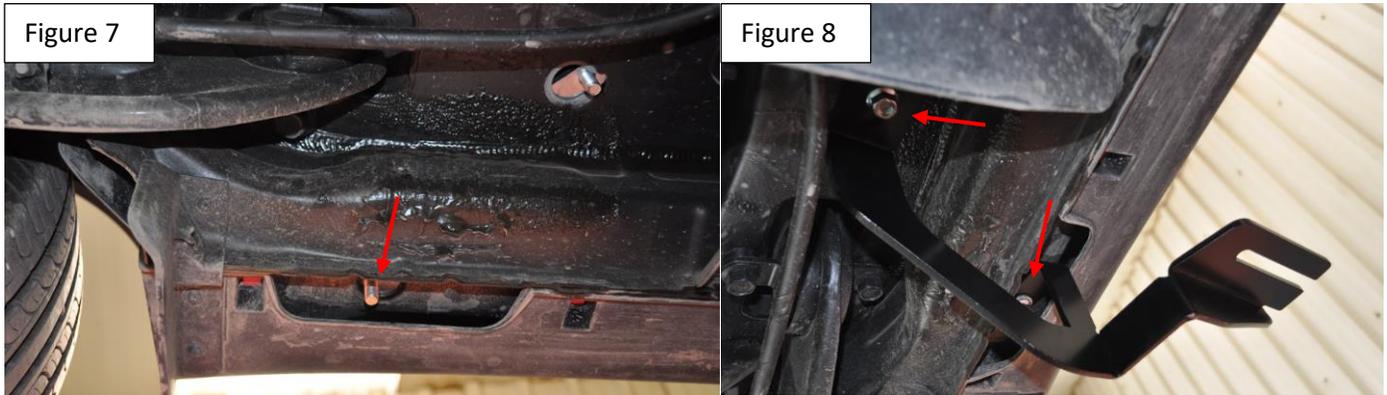

Step 2: Locate rear bracket mounting points remove rubber plugs Figure 5. Install HTC 230 as shown Figure 6.

Installation Instructions 2322 Bracket Kit

Continued: Install HTC 243 as shown Figure 7. Finally install rear bracket as shown Figure 8. Do not tighten.

Step 3: Repeat on opposite side.

Step 4: Proceed to last page of this manual for running board install instructions and torque values

For Technical support please call our team at 1-866-717-6645 and one of our experts will assist you with this installation.

Thank you for choosing Romik.

Installation Instructions Running Boards

NOTE: Use of power tools will damage the bottom of the running board and void your warranty.

Step 1: loosen the M8 hardware on back of the running boards.

Step 2: Slide running board onto brackets

Step 3: Tighten hardware to 7 ft lbs.

ROF/RPD/ROB Running boards

Step 1: Place clamping plate on top of running board as shown below. Make sure clamping plate sits correctly on running board surface.

Step 2: Install carriage bolts and plastic retaining clips as shown below.

Step 3: Install and tighten hardware to 7 ft lbs.

Cleaning and maintaining your Romik Running boards

Cleaning and maintaining your running boards is important, apply a light coat of a quality carnauba wax at least 2X per year. Wash often with mild soap and make sure to remove all soap residue. Many car automatic carwashes use a strong soap, make sure to use enough water to remove all residue.
